令和元年８月11日　海外信者勉強会

神　　示

「悔いなき人生」手にするために　今なすべきことを教えよう

歴史の「流れ」を生み出す「力」は何か　分かるかや

人間が考え　知識で図る策では　人類が調和し　発展する歴史はつくれない

人類誕生から今日（こんにち）までの歴史は　搾取に躍り　欲心（よくしん）に染められてきた

神の手の中　運命が重なり　補う　時代の力（運命）も　いよいよ限界を迎え

歴史の流れを「正道」に戻すため　神は今日（今）　実体を大きく正す

「教え」を学び　深め　信者は「真理」に生きる「悟り」がほしい

「真理」を人生の支えに生きるなら

人間（人）は皆　互いの力（運命）を重ね　補い合って　時代の運命に導かれ

喜び多く　生きがいを味わう人生を歩んでゆける

今日（今）　社会の姿は　大きく変わる

世界が調和し　仕合せを共有するために

人類は「道（正道）」欠く歴史の姿に悟りを得て　「真理」に生きる社会へと引き上げられる

信者に申す

「教え」を家族で学び　「心（真理）」で重なり　支え合う家庭を　家族で築く努力をする

この心に　正道に「生きる」歴史が始まってゆく

Keep in mind what you should do now to attain a life without regrets.
Do you know what power creates the flow of history?
Humanity cannot create a history of harmony and development based on measures rooted in the knowledge created by mankind.
From the time humanity was born to the present, history has been exploited and colored by avarice.
The power (unmei) of an era, where the unmei merges and complements as it has been doing, is steadily reaching a crescendo. Kami is presently (today) correcting the jittai on a massive scale to return the flow of history to its right path.
Learn and deepen your understanding of the teachings—Kami wishes to see shinja gain the enlightenment to live by the principles.
If you live your life supported by the principles, all people (human beings) will come together and enhance their strengths (unmei); and guided by the unmei of the times, they will experience many joys and live a life of meaning and purpose.
The society of today will undergo a great change. For the world to harmonize and happiness to be shared, humanity must become enlightened about a history that goes against the path, and elevate society to one that lives by the principles.
To the Shinja
Strive to learn the teachings as a family and create a home where the kokoro (principles) come together in mutual support. It is from this kokoro that the history of living by the path begins.
