

October 23, 2023 *Shinja Kokoro no Moto Benkyōkai* about the Family

*Shinji*

*All human beings are born having been given a soul (life) within their Kokoro no Michi.*

*The birth of life is not a coincidence. The era (the time) is decided as the Kokoro no Michi is connected.*

*To the Shinja*

*Do you understand the family relationships where harmony is fostered?*

*Kami sees that the awareness to live by the principles is weak.*

*Your dependence on knowledge and experience is observed.*

*Effort is needed to correct your jittai (your kokoro) that draws in sickness, accidents, and disasters.*

*Harmony is fostered in family relationships where they learn the teachings and live by the principles.*

*The kokoro of family members gradually become one and conversations increase.*

*When you know the truth (the conditions) about a family where the soul finds peace, Kami then decides the era (the time) of birth according to the kokoro that lives by the principles.*

*The connection to the Kokoro no Michi that connects a family where the soul finds peace is strong and deep, and good elements are inherited.*

*That family will increasingly prosper and be protected in the hands of Kami.*

*This is the family where virtuous and honest individuals are fostered.*
