

February 29, 2024 *Kibō no Michi Benkyōkai*

*Shinji*

*A life that is one with the unmei makes the best of its encounters with people and it becomes a life with much meaning and purpose.*

*However, there are many people who are unaware of their unmei's strengths and do not know how to hone their unmei.*

*This is the cause of conflict and confusion and why society is unable to come together.*

*To the Shinja*

*Learn the teachings, become aware of the principles of life and live.*

*Through your morning and evening kigan each day, build on your effort to raise your awareness to one of understanding.*

*You will gradually perceive how society should be (its path) and your doubts will disappear.*

*When this happens Kibō no Michi will manifest, and your unmei will guide and protect the movement of your kokoro.*

*Kibō no Michi is a vital condition (the means) for humanity to achieve a life of kaiun.*

*When you perceive the principles in the teachings and change this perception to one of understanding through your kigan, the light (the path) will always manifest.*

*The jittai that is inherited through your Kokoro no Michi will be corrected one element at a time and your character will be elevated.*

*When you abide by the path, the light (the path) will manifest.*

*Now that you know the kokoro that allows Kibō no Michi to manifest, kigan repeatedly.*
